

BLOODSHED

UNDER THE BIG TOP

Step Right Up to the Itsy-Bitsy Brothers Circus - the Biggest Little Show on Earth.

The Ringmaster, Roland-- a man with a bad attitude and a shady past, introduces you to the star of the show, the mysterious Marco the Magician and his beautiful, if domineering assistant, Suzette.

Rounding out the crew is Chester, who walks on stilts and juggles knives, and Rainbow, a cute, yet reticent clown.

Not all is well at the circus, as everyone has a secret.

When the magician's assistant is killed during a magic trick the circus is in shock!

The audience must help track down the killer, while the show must go on. It is an evening of circus fun, big laughs, and amazing skills.
