

CLUEless

Reminiscent of a well-known game, the characters of Colonel Mustard, Mrs. Peacock, Mrs. White, Miss Scarlett, Professor Plum and others come together on the tenth anniversary of the death of millionaire J. Pennyworth Boddy.

After learning a stash of gold is hidden somewhere in the room and that a killer is lurking among them, the group try to outwit each other with the help of the audience in a hilarious race to figure out whodunit. Will they find the gold and the murderer or will they be CLUELESS?
