

On the wings of romance, bring your “significant other” to a couple’s encounter group at the Musters and Johnssin’s institute, Cupid’s Arrow.

You’ll meet a group of therapists including the slick salesmen of psychology, Dr. John Muster and his partner in all matters Dr. Ruth Johnssin.

You’ll get conjugal counsel from Dr. Randy Hertz and his wife, Joanne Hertz, whose therapy hurts indeed.

Dr. Moe Trin tells you how to avoid headaches while his spacey wife, Karma Trin shows you how to love, love, love.

We should warn you that this romantic interlude might be interrupted by – murder, as things are not as compatible as they might be.

This slightly bawdy romp will get you in the heart.
