

Death By Enchantment

It's almost St. Patrick's Day, and once every one hundred years the Leprechauns all come together at a convention where the Shillelaghs really fly.

The meeting will be called to order by Onnis McDuff, the head Leprechaun who plans to stay that way.

You'll also meet Shamus O'Really a dealer in used Shamrocks and Erin O'Boy, a female Leprechaun with a mysterious past.

But it is the attempts of Bronwen the Brownie to join the Leprechauns and Nasty McGrump to cheat the others that makes the wrangling turn wicked.

Will the Leprechauns work out their differences or will it lead to a wee bit of foul play?

A humorous show filled with Irish charm.
