

He ruled his family with an iron fist-- until he was strangled by it. Meet E.B. Scrungle, a multimillionaire who has bossed and belittled his grown children, Nina and Tommy for years.

At their annual Holiday Party, the guests include his Lawyer, Footloose Bailey, his sexy lady friend Sharon DeBooty and new accountant Prentiss Gill. There he makes an announcement that could cut his friends and family from his will. How far will they go to assure their inheritance?
