

Join us on a Transatlantic Cruise on the luxury ocean liner, the **HMS GIGANTIC**.

Your host for the evening is the captain, Admiral Tobias Byrd, along with his lovely fiancée, Lady Rachel Caputznick.

Your needs will be catered to by the lovely Bosun Bea Reynolds. You will be entertained by Rapp Scallion, and you will be able to rub elbows with your fellow passengers, including the famous starlet, Dawn Zerley-Lite, and regulars like Captain Bernard Hooked and his sidekick, Iago.

How could anything go wrong on such a delightful romp on the high seas?

Except perhaps -- **MURDER**
