

# HALLOWEENS EVE HOMICIDE

The creepiest group of Night Crawlers ever assembled come together for their annual Halloween gathering to vote for the new “Head Hunter”.

The competition is tough as Phun Ghoul, the current winner intends to stay on top.

He has an ages-old conflict with J.J. Ghastly who plans to make himself the new leader of the ghouls.

Other challengers for the coveted position are Phil Spectre, Vampire deluxe; as well as Serpentina, who calls herself a ‘phantasm’; and Boo Boo McScare, the grave digger who is a gold digger-- with a dark secret.

When the meeting turns to **MURDER** -- you will fall -- into gales of laughter!
