

Be swept away to the Tenth Annual “Meanie” Awards, the only award created to honor Soap Opera villains.

You’ll meet a group of bad guys and girls from down-on-his-luck Emcee Stud Silver to vicious Vanna Victoria.

Also nominated for this prestigious award is busty Crystal Light, Drew Rudely, Mike Hunk, and seven-time nominee Suzanne Latchon. Will this group do anything to win?

Even---murder?

This comedy murder mystery is an outrageous parody of those endless award shows and a tribute to those people you love to hate, the kings and queens of the Soaps.
