

# A MURDER AMONG THE SPIRITS

Come along to a haunted Inn, where parapsychologists Doctor Irving T. Feinbottom and Professor Helene Hill are attempting to raise the spirit of the famed "White Lady".

Their work is interrupted by investigative tabloid journalist, Lola Lala with her cameraman Roy, looking to expose them as frauds.

The sparks REALLY start to fly when T.V. host Leary King desperate for ratings, shows up to steal Lola's story.

This show has laughs, ghostly happenings, and a "seance" performed live.

A HAUNTINGLY GOOD SHOW!
