

Get your tickets and get ready to ride with a group of famous detectives who are traveling on that famous train "The Unique Express".

You'll meet Lieutenant Coldumbo, the rumpled homicide specialist, Miss Marbles who acts more like Miss Manners, and Hercules Parrot, the French sleuth.

Also on the train is the Victorian Dreadlock Homes and his assistant Dr. Weston, and a Mrs. Flasher, a mysterious stranger, who – stranger still – meets with foul play!

You will join this group of sleuths, as they must find the killer before the body count rises.

There will be laughs galore as the murder authorities can barely agree on anything– or get along at all

This comedy murder mystery lets the audience interact and help the famous detectives as they seek the killer before he strikes down each of them in turn.

Murderously Funny!
